To: Northgate Merchants

Please be aware that A&M United Methodist Church is about to begin construction of a paved parking lot on our existing parking areas. If you or your employees have been parking on our existing lots you will need to make arrangements to park elsewhere. We anticipate construction to begin in 30 days and wanted to let you know so that you can make alternative parking plans now. We need for you to have other parking arrangements no later than Friday, September 28.

We suggest you make long-term plans because with the completion of the City Parking Garage we will no longer be able to provide parking for non-church members or events. City manager Tom Brymer has assured us that there is plenty of lease space still available in the City Parking Garage and they are ready and willing to accommodate your parking needs.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jerry Nell".
